

SHARON PARKS AND RECREATION

GYMNASTICS PROGRAM

Our Gymnastics program is for youths ages 7-12yrs. We offer six week sessions that meet on Sat.'s in the Sharon Center School gym, generally for an hour in the afternoons. The program focuses on tumbling mostly. We have offered three sessions during the course of a year, a fall, winter and spring session. Classes are limited to 10 participants each. We will add a second class as needed. Our instructor has been able to keep both the novice and experienced gymnasts improving on their skills.
